

# *New Retreat Series*

## *Men on Fire*

### *For the Gospel*

#### *Friday Night Session 1 - Identity in Christ*

□ *Passionate living for Jesus comes from knowing you belong to Him, that you are in Him, and that He is in you. Christ in you is what sets a man on fire for the gospel.*

#### *Saturday Morning Session 2 - True Worshipers*

□ *Everyone is a worshiper, and it's easy to be a misdirected worshiper-drinking from wells which leave us empty and thirsty. One of the gospel promises is an inner spring of Life which makes men true worshipers. From what well are you drinking?*

#### *Saturday Morning Session 3 - Are You Thirsty?*

□ *On one of the greatest days of celebration in the Jewish year, Jesus made an appeal for those who were thirsty to come, drink, and receive the Promise. Experiencing the reality of the power and ministry of the Holy Spirit makes a man burn passionately for the gospel.*

#### *Saturday Afternoon Session 4 - Are You Filled?*

□ *Every man is commanded to be filled with the Holy Spirit who is the Promise of the gospel. However, many men are content to live their lives without the fullness of God. Learn why and how to experience God's fullness in a relationship with the Holy Spirit-the presence of Jesus Christ.*

*Do the men of your church need some fuel for their spiritual fire? Contact Norm to secure a date for a men's retreat that will fan the flame in the hearts of men.*
