Alma & Norm Wakefield

God's calling in Norm Wakefield's life has given him a heart for men and their families. It has birthed an emphasis on the gospel and a relationship with Jesus Christ. He sees that as the basis for wisdom in all aspects of life and that is the strength of Elijah Ministries.

As a husband, Norm longs to see marriages that glorify God. His position as a father of four has given him a heart for family.

When God called Norm into the pastoral ministry, God led him to disciple and encourage men. As a worship leaders, he leads people into the presence of God. But his full desire is to see God glorified in His people as they apply God's Word to their lives everyday.

Norm is a well-known speaker at conferences, retreats, and churches around the country.

Conference Schedule

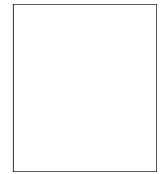

Friday April 17	7:00- 8:30 PM	Session 1: It's a Matter of Identity When a child doesn't know who he is, who he belongs to or where his power source lies, he is left searching for someone to imitate. Insights from the Identity Principles helps parents understand God's plan for preparing the next generation for life. You'll learn how to "seal" your child's identity and secure their heart.
	6-7:30 AM	Men's Breakfast led by Straight Shooters
Saturday April 18	10:00- 11:30 AM	Session 2: Are You Thirsty? One of the biggest hindrances to personal and corporate revival is a contentment with busyness and things of this world. Jesus' promises of fullness were extended to people who knew they were in need of an inner power to glorify God on a daily basis. Are you thirsty? Let's come and drink!
	12:00 PM	Lunch Provided for Conference Participants
	1:00- 2:30 PM	Session 3: Eternal Perspective How easy it is to become discouraged when we have our minds set on the daily grind and struggles of life. But God has ordained that those who maintain an eternal perspective in life will receive grace and strength for the tasks He calls them to do. Your heart will be encouraged as you hear what God's Word has to say about keeping an eternal perspective in life.
	7:00- 8:30 PM	Session 4: Reality Check—It's Not About You There's nothing more destructive to relationship with God and others than selfishness. When a person professing to be a Christian makes life about himself, the gospel is made empty, others are alienated and offended, and most of all, his relationship with God suffers. Norm's messages from Paul's letter to the Philippians will serve as a reality check as you are encouraged and coached to live in a manner worthy of the gospel of Christ—living a life that is all about Him.
	Sunday April 19	8:00, 9:30 or 10:45 AM
2:00- 4:00 PM		Session 5: Anchored in Christ Do you ever feel like you're weathering a category 5 hurricane as you attempt to educate your children? Learn how to get anchored in Christ so you can withstand whatever comes your way and lead your children to do the same.

All Strengthening Christian Conference events April 17-19 will be held at the United Methodist Church of Monroe, 2227 4th Street, Monroe, WI 53566.

A free-will offering for Elijah Ministries will be taken Friday and Saturday evenings during the conference.

About Straight Shooters

The Straight Shooters ministry was started in Monroe, WI as an out-reach to sportsmen and to spread the Gospel message of Jesus Christ. The goal of the ministry is to introduce sportsmen to a relationship with Jesus Christ and then equip them to live under His Lordship.

The Ministry holds sporting and educational events throughout the year. At each event the gospel is proclaimed and men are taken to scripture to exam their lives. The ministry desires to see men growing closer to the Lord.
