

Father and Daughter Dinner

March 15, 2010

Christian Heritage Church is hosting a “Father and Daughter Dinner” at DiNolfo’s Banquet Hall, located at 14447 West 159th Street in Homer Glen, Illinois.

Godly womanhood is under attack in our culture. International Bible teacher, conference speaker and author Norm Wakefield will address this issue in a message titled: “A Father and Daughter: Affirming Godly Womanhood.” Norm will offer some practical ways a father can affirm his daughter in her womanhood and prepare her to be a godly wife and mother.

Our prayer is that God would use this evening to unite the hearts of fathers and daughters and lay a foundation for future generations of faithfulness to our Lord and Savior Jesus Christ. Fathers, you will enjoy a delicious gourmet dinner together, followed by father and daughter games, Norm’s message, dessert, and an optional slow dance with your daughter. As you leave, a picture portrait and a surprise gift to remember this special night await you.
