

PRAISE REPORT

THE ATTENDEES TO THE
HOMESCHOOL CONFERENCE IN
MARTON, NEW ZEALAND

We praise God for His presence and power

Thank you for praying for us this week as we spoke at the annual homeschool conference here in New Zealand. These testimonies say it best. Praise God as you read them, please.

"I will be eternally grateful for the rich treasures in Christ I received this week. You understand my joy, I think,

when your spirit witnesses the life changing truth of God's word. When He takes it and brings it alive in your heart."

"It's hard to put into words the depths of appreciation I feel toward you and the Lord for your ministry to the New Zealand families during our

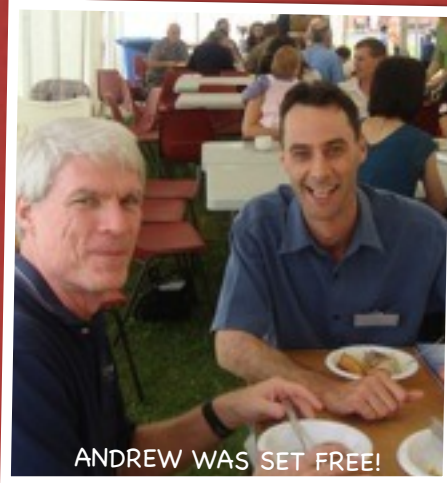

conference. It was rich, inspiring, and life-changing. I love the deep understanding of the centrality of Christ and the work of the Holy Spirit."

"I can breathe!"

God's presence and power were so evident as people shared of His speaking to their hearts. Praise God.
