Thank you for praying!

Mom's Night Out in Georgetown

I was invited to speak to couples by the Christian Home Educator's Organization in Georgetown, TX last Monday night. For a Mom's Night Out, there sure were a lot of men! Since the theme was Valentines, I shared the message, *Equipped to Love: Building Idolatry-free Relationships*.

"This was just what we needed to hear." After the session a young couple introduced themselves and gave the above comment on the evening message. One of our prayers before every speaking engagement is that God would prepare people's hearts for the message. As I continued to listen to their testimony, I was encouraged that they were the fruit of our prayer ministry. Many others expressed that God had spoken to them

that evening. Thank you for ministering with me in prayer and the ministry of God's Word.

Father/Son Retreat for Southern Oaks Baptist Church of Bryan, TX

The weather couldn't have been better for this time of the year for a camp-out for fathers and sons. We gathered for meals and spiritual encouragement in a carport on Friday and Saturday. God was gracious to make His presence known as both fathers and young men shared about conviction for being self-centered.

A young man told me afterwards that the messages really helped him with his attitude toward his father. Another young man shared that God had exposed the "well" from which he had been

drinking in the place of drinking from Christ. Only the Holy Spirit can touch on those things, so I'm grateful to the Father for His answering our prayers on behalf of these fathers and sons from Southern Oaks Baptist Church.

May God Open Doors

Please pray for me as I meet with some key men to discuss a new avenue of ministry for Elijah Ministries. I trust God has laid it on my heart to investigate ministering in chapel programs at seminaries and Bible training institutes. All I know to do at this point is knock on doors and see if God will open them. A meeting with the President of Southern Baptist Seminary in Louisville, KY this weekend and then a meeting at the end of the month with the board of directors of Evangelical Institute in Greenville, SC hopefully will be fruitful.

Building the local church by equipping men and their families.

We invite you to support Elijah Ministries as the Lord blesses you so others may also be blessed
