Rock, TX

Thank you for praying for us! We're grateful for God's presence

It is with gratefulness and joy in my heart as I report to you the faithfulness of God over this past weekend at the Marriage Conference hosted by New Hope Community Church in Round Rock, TX.

First, the times of worship in song were filled with a sense of God's presence and joy. Second, as the Word of God was given, God was not silent. Often people sat with heads bowed and tears streaming down their faces as they expressed their love and gratefulness to Jesus for what He has done and is doing.

A number of couples expressed a repentance for not being filled with God's unfailing love and an excitement about understanding how to "live through Jesus Christ."

One man asked if he had heard right about living out the gospel, "Am I right to conclude that until I hear God's Word and actually do something with it in my life, I haven't really believed in Him or His Word?" That's exactly what Jesus taught. My prayer was that God would open their hearts to see the difference

between religious talk and true faith. He got it!

Another prayer answered was God's preparing the way for the Word. Several people told me of books they had been reading or circumstances that prepared them to hear what was taught this weekend. It's so exciting to confirm what God is already doing in another's life.

Thank you for joining me in ministering to these couples. Let's pray for God to bear fruit in them this week as they work out what they heard. Grace to you in Christ. Norm
