IRON SHARPENS IRON MEN'S CONFERENCE

Christian Heritage Church

I invite you to join me in ministering to the men attending the Iron Sharpens Iron Men's Conference on Saturday. I will be presenting Equipped to Love in a breakout session and making resources available for follow up. Then on Sunday morning, I'm speaking at Christian Heritage Church in Orland Park, IL. I'll be teaching on 1 John 4, "Unfailing Love", and then in the afternoon, "What's a Mom to do with Teenage Sons?" Here's how I'm praying.

Father, I come to you through Jesus with confidence that You desire to bear fruit through us as we pray. Go before me and prepare their hearts for Your Word. Where men are trapped by the spirit of

idolatry, open their eyes, transform their hearts, and give them understanding of Your love. Give them vision for how to express Your love to their wives and families for Your glory. Fill those of us who speak with Your Spirit, giving us wisdom and grace as we teach.

Father, on Sunday, open the understanding of their hearts to see the power of Your unfailing love and how they can be as you are in this world. May they be overcome with awe as Your love is explained from the Bible. Also, set Moms free as they hear how to treat sons who are blossoming into young men. Thank you for the work you are going to do. Amen.
