## Pray for Men's Retreat First Baptist Church of Sheridan, WY.

### Tonight - Sunday Morning

This evening I begin a men's retreat for FBC of Sheridan, WY. The series of messages will be from the new series "Reality Check: It's Not About You." The emphasis of the series is the gospel and living in a manner worthy of the gospel of Christ. Please join me in praying for this series of messages and then the Sunday morning service where I'll be sharing "Equipped to Love: Idolatry-free Relationships."

### Lasting Fruit

In Jesus' last discourse with His disciples, He told them that God's interest in their lives was lasting fruit. After each event, that becomes my prayer for those who heard God's Word

and are hopefully putting it into practice. Please also join me in continuing to pray for those who have attended meetings in the past few weeks. May they bear fruit and may the fruit remain!

### Let's Pray!

Father in heaven, it is a privilege to be able to approach Your throne of grace and mercy and intercede for the lives of the men, their families, and FBC of Sheridan. You see them all before You, and we are asking You for a deep and lasting work in their hearts and lives.

First, prepare their hearts to hear Your Word as well as my heart to present it. Enable me to speak with love, humility, and power—depending on You to do the work.

Second, Father, we ask for the Holy Spirit to be sent to do the work in their hearts for Your glory in the name of Your Son, Jesus. May He teach, convict, comfort, sanctify, and encourage.

Third, specifically, may Your Kingdom come and Your will be done in their lives. May they see that life is not all about them and is all about You, Jesus. May each reality check powerfully impact their thinking and expose selfish living.

Fourth, on Sunday, fill everyone with Your love. Open eyes to see idolatrous attitudes and relationships. Grant repentance, deliverance, and hope as they apply Your Word to their hearts and lives.

Father, we pray together for the glory of Your name in Christ. Amen.

I would love to hear from you.
