Pray for Men's Retreat Bastrop Bible Church of Bastrop, TX

Friday - Sunday Morning

This weekend I have the privilege of leading the men of Bastrop Bible Church in their annual retreat. The theme is "Reality Check: It's Not About You." Last week, we prayed that God would prepare the hearts of men for the messages, and God answered that prayer. One man told me he knew he had to get right with God after seeing a father pray in a restaurant that day. Another man's wife remarked as he left, "Your son is just like you." He thought about that statement all the way to the retreat and was prepared to hear God's Word and the gospel.

Pray in Jesus' name

We've been given an inestimable blessing to approach the throne of God

on behalf of others through the name of Jesus Christ. In His name, His intercessory work through His life, death, and resurrection, we can pray with confidence. We pray what we know is on His heart from the Scriptures. Please join me in prayer for this weekend's ministry.

Let's Pray!

Father in heaven, through the wonderful, gracious work of Jesus, Your Son, we join our hearts before you at your throne of mercy and grace. Our hearts yearn for You to receive glory and make Your name great in the lives of the men and members of Bastrop Bible Church. May Your will be done on earth as it is in heaven. Rule in their hearts through the gospel and Your word. Because of the work of Christ on the

cross, may the Holy Spirit have free reign to transform, convict, deliver, fill, and guide them.

Fill me with Your Spirit as I minister to Your body this weekend. Lord, You are humble, loving, peaceful, patient, and gracious. May Your life permeate mine. May it be true for me that to live is Christ.

Father, grant us spiritual wisdom with understanding so that we may know Christ and walk in a manner worthy of the gospel.

Also, prepare the hearts of the body of Christ at Bastrop as I speak to them on Sunday morning. May the eyes of their hearts be opened to see what it means to "put on the new man—Jesus Christ. Amen.

I would love to hear from you.
