Pray for God to Prepare Hearts Monroe, Wisconsin

Friday - Saturday

If the excitement of the organizers is any indication of the Lord preparing the way, then this weekend's *Strengthening Christian Families Conference* will be life-changing for many. The conference is hosted by the United Methodist Church of Monroe, WI where I'll be speaking on Sunday morning.

Prepare Hearts

Father in heaven, we are excited about praying for the people you are bringing to the conference this weekend. We come to you in Jesus' name, and ask that you pour out blessing this weekend according to your mercies and grace through Him. In your wisdom and providence, use circumstances and relationships to open and prepare hearts

to hear the messages. Prepare my heart to serve and teach as I pray, meditate, and wait on you.

Conviction

Holy Spirit, attend the words spoken and read and work deep conviction in the hearts of those who are trapped in destructive habits and relationships as a result of sin. Grant repentance and the courage and grace needed to bring healing, deliverance, and restoration. Father, the cross! Grant this on the basis of Jesus' work on the cross.

Lasting Fruit

It is your desire, Father, that we bear much fruit, so we ask for it. May the fruit be evident in their lives. May the fruit remain for years to come as a result of this conference.

Treasure Christ

May we all walk away treasuring Christ to a greater degree resulting in our being more anchored in hope, deeper in love, fuller joy, and a greater peace for the glory of your name.

Sunday at United Methodist

Father, you see the members of your body who attend this church and those who are in need of new birth and need to experience your great love in the power of the Holy Spirit. You do wonderful things, Father, through our Son, Jesus. You reign and rule in the hearts of all. Stretch forth your powerful scepter and rule in the midst of your enemies! May the proud heart bow, the idolatrous heart repent, and the wounded hearts be healed. Amen.

Thank you for praying!
