

PRAYER INVITATION

THE COPLEY FAMILY ANNUAL
RETREAT IN THE SAN JUAN
MOUNTAINS OF SO. COLORADO

Thank you for praying for God's presence.

For the fifth year, Alma and I will have the privilege of ministering to Bob and Carmen Copley and their extended family of ten children and a host of grandchildren at a cabin in a beautiful setting in the mountains of southern Colorado. We'll have seven teaching sessions mixed in with wonderful times

of fellowship, worship, and fun in the great outdoors. Please join me in praying that God will meet with this family Thursday-Sunday.

Father in heaven, pour out your blessing as your Word is read, taught, and listened to. Give me your grace as I

teach, manifest your presence as we meet around your Word, and produce fruit for your glory in their lives. Remove any hindrances to hearing with their hearts, overcome spiritual obstacles, and pour out your Spirit in and through us. We praise you for what you have done through Jesus! Amen.
