

# PRAYER INVITATION

THANK YOU FOR PRAYING FOR THE COPLEY FAMILY RETREAT. WE ALL WERE VERY ENCOURAGED BY THE REALITY CHECKS FROM PHILIPPIANS.

## Family Conference at Evangelical Institute

This weekend, Alma and I will be ministering at a family conference hosted by Evangelical Institute in Greenville, SC. EI is a Bible and ministry training school with a Jesus-saturated environment. Please join in praying for God to meet with us and reveal Himself in life-changing power.

Father in heaven, meet with us this weekend as we study your Word and seek your face. Prepare our hearts to hear and be doers of your Word. Empower the gospel for salvation, provide encouragement in Christ, consolation of your love to those who are suffering and guilt-ridden, and

fellowship in the Holy Spirit. Father, pour out blessing according to the wonderful, glorious work of your Son, Jesus, given on our behalf. Deepen our love for you through Him, strengthen our hearts by grace, and increase our capacity to know and treasure Christ. Amen.
