

# PRAISE & PRAYER

THE SPIRIT OF ELIJAH MINISTRIES

## Lives touched in Community Bible Church

Last week you prayed for me as I minister to Community Bible Church in Kennewick, WA. I preached on Sunday morning, and God gave many a greater awareness of His presence and living with an eternal perspective.

### MEN'S CONFERENCE

Monday-Wednesday evening, the men met to study being men of faith from 1st Peter. We had times when the Holy Spirit took the Word of the Lord and impressed it on their hearts—times of quiet reflection and meditation as God spoke. One man told me his view of Jesus changed as we studied Peter's revelation of Christ.

### FAMILY CAMP

Then last weekend, the group in the picture from CBC met at a camp to study Philippians. Again, God met with us and many expressed a renewed vision for living in a manner worthy of Jesus and the gospel.

## Father & Sons in SC

Would you join me in prayer for the Father/Son retreat hosted at Evangelical Institute in Greenville, SC? It begins tonight and goes through Sunday morning. The theme of the weekend is "A Firm Foundation" which is, of course, the gospel! I'll be sharing how relationships between fathers and sons is a reflection of the gospel.

Let's pray for a spirit of revelation and for God to give both fathers and sons a vision for a relationship that glorifies God and provides hope for their future.

Father, fill us with wisdom and a spirit of prayer. Bear fruit through us as we pray in Jesus' name. Amen.

**EVANGELICAL INSTITUTE** in Greenville, SC is a two-year Bible school for young adults. You can find out more about it online at [www.eibibleschool.org](http://www.eibibleschool.org)

**JESUS SATURATED** I've been impressed with the presence of the Spirit of the Lord on campus. I recommend EI for any young adult who wants spiritual preparation for life.

**SOUND DOCTRINE** Finding a school that is balanced in sound doctrine as well as filled with the Life of Christ is difficult. However, the faculty at EI are dedicated to living what they teach. What an impact they make on students!
