PRAYER

Will You Pray?

We are in need of extra prayer support this week. The attack is on and there are many challenges ahead.

Evening Sessions

REALITY CHECK: IT'S NOT ABOUT YOU!

This week, I'll be sharing a series of messages from the book of Philippians at the Homeschool Family Camp at Harvey Cedars Bible Conference Center in Harvey Cedars, NJ.

WE NEED PRAYER SUPPORT! We go into this week with fear and trembling and a great sense of neediness. After almost 3 weeks of ministry to Alma's family in the passing of her father into the Lord's presence, we move right into ministry to over 300 attendees at Harvey Cedars. Amanda has cried the last two nights from being overtired, out of her routine, and off of her gluten-free diet. We ask you to join us in prayer that God will give us all grace through this week and sensitivity to Amanda's needs.

We also are taking our ten-year-old granddaughter, Tiffany Prescott, with us. We want to enjoy her and let her see what "Papa" does when he speaks. She will be a good companion to Amanda.

Please join me in prayer. Father in heaven, we join our hearts before you asking that you

reveal your power as we minister at Harvey Cedars this week. Prepare hearts to receive your Word. Implant it in their souls. Cause the gospel to be powerful to save souls, encourage the weak, set captives free, and transform relationships. Anoint your Word and your servant as he speaks each evening.

Father, have mercy on us because we are poor and needy and you are kind, good, forgiving, and your grace abounds to those who call on you. We call on you to protect us from the evil one and give grace to Amanda for the traveling and change of routine and diet. Father, we ask you to glorify the name of your Son, Jesus, as we pray. Amen.

Camp Distractions

Pray for God's Spirit to overcome the distractions of the beach and lots of fun activities. Pray for open hearts.
