## THANK YOU FOR PRAYING FOR US THIS PAST WEEK

**Many were challenged by God's Word, some were liberated, and others seemed unmoved.**

God was gracious to give strength and energy to us as we served the families who attended the family camp at Harvey Cedars. We felt the hands of the Lord holding us up and guiding us. We were encouraged by many testimonies such as these.

"I have known that the purpose of my life was to glorify God, but this week I learned *how* to it."

"I have been liberated from bitterness toward my church family for past hurts."

"My husband and I are going to follow Jesus' and Paul's example of emptying himself, humbly serving, and willingly bearing the sins and weaknesses of others and ask others to join us."

"God prepared my heart for two weeks to hear this word, and I'm excited to put the gospel into practice."

"I've been challenged each evening by God's Word."

"I've only known Jesus in an academic way like I know of Abraham Lincoln. I want to know Him by experience." After I prayed with this man, he remarked, "No one has prayed for me personally in ten years." May God fill this man with the Holy Spirit!

I ask you to join me in praying for those who seemed to be unmoved and untouched. One cannot tell what God is doing in many lives because they are either under such conviction that they cannot speak or their hearts are hard. Please pray for God's Word to continue to work and bear fruit in their lives this week.

On a personal note. We had a wonderful time with our granddaughter Tiffany and Amanda this week. Thank you for praying for us.
