

Family Conference Monday-Wednesday evenings in Denison, TX

Beginning tomorrow evening, I will be speaking at a family conference at Parkside Community Church in Denison, TX. I'm excited about this opportunity for many reasons. God has prepared the way through the ministry of Life Action Ministries, whom God used to bring a spirit of revival. Daily prayer has been going on for weeks for this family conference. Now, let's join them in praying for God to work in a life-changing ways in the lives of those who attend.

Family Conference Friday-Sunday in Winnebago, IL

The New Life Bible Church in Winnebago, IL will be hosting me this next weekend for a family life conference. We'll begin Friday evening, go through Saturday afternoon, and conclude Sunday afternoon. I'll be speaking six times, so I ask for God's grace and strength throughout the weekend.

Thank you for joining with me in prayer for these two opportunities to share the gospel and its application to family relationships.

Please join me in prayer.

Father in heaven, we join with our brothers and sisters from Parkside and New Life Bible Church to pray for these opportunities of ministry to the families who attend. We thank you for preparing their hearts for the word. We ask for your anointing on those who teach, pray, and lead the break out sessions. Father, may the Holy Spirit fill both the speakers and the hearers. Glorify the name of your son, Jesus, as we pray and as he is lifted up.

Father, I thank you for the rest you gave me this past week in New Jersey as well as time with my family. This week, we need your grace again to serve your people. Give Alma and Amanda grace at home while I'm away, and give me grace to serve humbly and lovingly and with your power. Fill me with your Spirit as I travel and minister. Renew me as I give what you have given to me for the sake of your body.

Father, I thank you for the privilege of prayer and am grateful for the Elijah Ministries prayer team. Protect them, inspire them, and encourage them as they pray. May your Spirit fill them as they wait before your throne of mercy and grace on our behalf. Amen.
