

YOU PRAYED, GOD MET WITH US

Marriage for God's Glory

We had a great marriage conference in Rockford, IL hosted by the Kishwaukee Bible Church. Between 60-70 couples attended.

There were a number of couples who were taking their last breath. God was gracious to meet with some of them and give them new hope and life. I was greatly encouraged by the young couples who came up afterwards and praised the Lord that God had them there to hear God's Word while they were in their early years of marriage. It is heartening to know that many of them will not have to endure the pain and hurt of an older generation who have not heard how the gospel applies to marriage. So as you prayed with and for me, God did melt hearts, heal marriages, and give couples a renewed vision for how they can live in their

marriages in a manner worthy of the Lord, glorifying Him in their union.

The Lord also met with us in an unusual way on Sunday during the message "Equipped to Love" presented at KBC. One middle-aged woman told me afterwards that she had never heard any message like that in her entire life. She was visibly moved by her encounter with the Lord.

A guest who came emailed me to praise the Lord for His revealing areas of idolatry

in his life which were hindering his ability to love.

The family life pastor informed me that he met with a couple who were on the verge of separation previous to the conference. After the third message, they scheduled a meeting with the pastor. I was excited to hear from him that the Lord met with them and broke

through the hardness and hurt in their relationship. Praise the Lord!

Thank you for praying with me, for me, and for those we serve this year. I am honored to have you join me in Elijah Ministries.

Please pray for the Elijah Ministries Board of Directors meeting this weekend. May God give us wisdom and insight as we seek to serve this next year.
