

God Unleashes the Killing Plagues
The Sixth Trumpet: The Second Woe
Rev. 9:13-21

Rev. 9:13-14 God responds to the unified prayers of the saints.

1. A voice from the altar- the prayers of the saints (Rev. 8:3-4)
2. The four angels = demonic beings (Rev. 7:1)

Rev. 9:15-16 God unleashes His wrath on the unrepentant.

1. He has prepared these demons for the purpose of killing unrepentant mankind.
2. They're death is a warning against all who are unrepentant. God has limited His wrath and not poured out a total destruction of the wicked (1/3).
3. The number of God's agents sent to kill is too much for John to count, so he heard the number.

Rev. 9:17-19 The demons and their effect is described.

1. The riders are described.
2. The horses are described.
3. The plagues are described.

Rev. 9:20-21 The main point: God's warnings of judgment are not heeded.

What is the message for the original believers?
